IOI Wall Mirror, Round, Ø80

Designed by Gam Fratesi - 2019

ITEM NUMBER	IOI Wall Mirror, Round, Ø80	10035565

DESCRIPTION

The IOI Wall Mirror by Gam Fratesi are a celebration of Italian materiality, featuring solid brass and steel. Drawing on geometric Art Deco references with a contemporary design language, the collection explores the empty space between the physical form as much as the form itself. The IOI Wall Mirror has a 'sticks and sphere' motif, reflected in the shape of the letters that form their name, pronounced 'i-o-i.' The IOI Wall mirror is a part of the IOI collection which consists of the Wall Mirror and Coffee Tables which has reoccurring circular forms enabling them to be combined with one another as well as with pieces in the wider GUBI Collection.
