

Kizu Portable Table Lamp

Balancing bold forms, the Kizu Table Lamp intrigues the eye with its sculptural composition, and this portable version of the lamp is no exception. Materials and expression are as we know them, but this cordless, smaller size is easy to move around where light is needed. With marble as the bearing element, the lamp obtains natural stability and the polished stone feels comfortable to the touch.

Product highlights

- A part of the Kizu family that offers portable and table lamps, available in various sizes.
- Compliant with CE and ETL standards for use in both EU and US markets.
- Featuring a robust and sturdy marble base.

Manufactured in high-precision facilities, it is of quality construction. An integrated LED in the portable version ensures optimal lighting and efficient battery usage.
Light Source included	Yes
Cleaning & Care	Use a soft, dry cloth to remove the dust from the lamp. For deaper cleaning, dampen a cloth gently wipe the surface. If needed, use a mild detergent. Always test a small area first to ensure it does not damage the finish. After cleaning, use a dry cloth to wipe away moisture, since moisture can damage the material. Pay extra attention to the marble material while cleaning - Marble is a natural material, it is sensitive to liquids. If the liquid is not removed immediately, spilled liquids can leave a permanent stain.
